

GREAT STUFF™

INSULATING FOAM SEALANT

NOW GREAT STUFF™ INSULATING FOAM IS EVEN GREATER!

Great Stuff™ Multipurpose White Insulating Foam Sealant with the Smart Dispenser™

Features and Benefits:

- Multipurpose interior/exterior use¹
- Use for up to 30 days with the patented Smart Dispenser™
- Fills, seals and insulates gaps up to 1 inch
- White color allows cured foam to blend into light environments
- Expands to take the shape of gaps, creating a long-lasting, airtight and water-resistant seal
- Helps reduce unwanted noise and vibration
- Is a simple way to minimize unwanted airflow and reduce condensation
- Adheres well to stone, eliminating the need for a caulk adhesive (depending on the project)
- Adheres well to rock, wood, metal, masonry, glass, and most plastics
- Tack-free within 15 minutes. Cures in 8 hours²
- All-direction dispensing
- Paintable, stainable, sandable
- UL Classified
- ESR-1961

Great Stuff™ Multipurpose White Foam* is a ready-to-use, minimal expansion foam sealant that fills, seals and insulates gaps up to 1 inch. It expands to take the shape of gaps and cracks, creating a long-lasting, airtight and water-resistant seal.

White in color, it naturally blends into the surrounding environment and is specifically formulated for both indoor and outdoor use. This multipurpose formulation can be used to fill gaps and cracks around the home.

Great Stuff™ Multipurpose White Foam Sealant is a simple, inexpensive way to minimize unwanted airflow, reduce condensation and lower energy bills, and it can be used in many home applications.***

Introducing the patented Great Stuff™ Smart Dispenser™.

This next generation of foam sealant dispensing is a game-changer:

- **Reusable for up to 30 days;** now use it again and again!
- **No-drip dispensing,** eliminates mess
- **Easy to use,** greater control
- Fill gaps efficiently and quickly
- Available only from Great Stuff™ Insulating Foams!

Meet the Great Stuff™ Insulating Foam Sealant Family:

Our line of foam sealants is a simple-to-use, cost-effective money-saving solution for any DIYer.

- **Great Stuff™ Multipurpose White*** — Fills, seals and insulates indoor and outdoor gaps up to 1 inch.
- **Great Stuff™ Gaps & Cracks*** — Fills, seals and insulates gaps up to 1 inch.
- **Great Stuff™ Window & Door*** — Seals airtight to insulate and reduce drafts, drip-free. When applied properly, won't distort or bow window and door frames.
- **Great Stuff™ Big Gap Filler*** — Seals gaps up to 3 inches.
- **Great Stuff™ Fireblock*** — Seals to impede fire and smoke.**
- **Great Stuff™ Pestblock*** — Blocks out ants, roaches, spiders, bees and more with no pesticides.
- **Great Stuff™ Multipurpose Black*** — Fills, seals and insulates indoor and outdoor gaps up to 1 inch.
- **Great Stuff™ Pond & Stone*** — Directs water flow with fish-safe adhesive and sealant.

¹ Skin of cured foam can discolor if exposed to natural light. Paint or coat foam for best results.

² 70°F ± 5°F and 50 ± 5% RH, 1 inch bead diameter, 6 inch length. Cure rate is dependent on temperature, humidity and size of foam bead.

³ Do not expose cured foam to temperatures above 240°F (116°C).

* Read all instructions and (Material) Safety Data Sheet ((M)SDS) carefully before use.

**Intended for use in residential application to maintain the continuity of an approved fire block material.

***Note: Great Stuff™ Insulating Foam Sealants are not for use in aviation, or food/beverage contact, or as structural support in marine applications.

DuPont Polyurethane Foam Insulation and Sealants

CAUTION: When cured, these products are combustible and will burn if exposed to open flame or sparks from high-energy sources. Do not expose to temperatures above 240°F (116°C). For more information, consult (Material) Safety Data Sheet ((M)SDS), call DuPont at 1-866-583-2583 or contact your local building inspector. In an emergency, call 1-989-636-4400 in the U.S. or 1-519-339-3711 in Canada. Great Stuff™ contains isocyanate and a flammable blowing agent. Read all instructions and (Material) Safety Data Sheet ((M)SDS), carefully before use. Eliminate all sources of ignition before use. Cover all skin. Wear long sleeves, gloves, and safety glasses or goggles. Not for use in aviation, or food/beverage contact, or as structural support in marine applications. Provide adequate ventilation or wear proper respiratory protection. Contents under pressure. Not to be used for filling closed cavities or voids such as behind walls and under tub surrounds; this improper use of the product could result in the accumulation of flammable vapors and/or uncured material. Failure to follow the warnings and instructions provided with the product, and/or all applicable rules and regulations, can result in injury or death.

Building and/or construction practices unrelated to building materials could greatly affect moisture and the potential for mold formation. No material supplier including DuPont can give assurance that mold will not develop in any specific system.
